Serial No. 7

Letter No C 1765-2 dated the 3rd February 1925 from the Senior Surgeon in Mysore requesting for sanction to post a retired Medical Officer of the grade of a Surgeon as Asst Surgeon for charge of the Mysore Lansdowne Hospital and states that on receipt of orders he will submit a suitable name for the orders of Govt.

2) In Govt. No 4 678-80/Med 69-16-4 dated the 13th July 1918 sanctioning the re-organisation of the Medical Dept it has been laid down that the Mysore Lansdowne Dispensary should be in charge of an Asst Surgeon. If what all the Scheme Rules, the present Asst Surgeon in charge of the Dispensary says is a true representation of facts and if there is indeed any scope for dispensing work in the Mysore Lansdowne Hospital for an Asst Surgeon as the Senior Surgeon

NOTE:- Contd. Sheet

puts it, it is a point for consideration, why an officer of the grade of a Surgeon or an Asst Surgeon, even if he should be a retired one, should be posted for charge of the dispensary, at all. At present, an Asst Surgeon and two Sub Asst Surgeons, are ~~to be~~ attached to the Imperial Lancers & the other attached to the Imperial Transport Corps, ~~each~~ working in the Regimental Hospital, and if there are not many cases coming up for treatment at all in this hospital daily, it is a point for consideration, whether the Asst Surgeon may not be withdrawn altogether from this hospital and the constitution worked by the two Sub Asst Surgeons, themselves. There is only a Sub Asst Surgeon attached to the 2nd Lancers Regiment and that officer is working

and also to the Infantry Regiments (Barr) stationed at Murree for the time being.

2) It seems to this letter the Senior Surgeon states that the proposal is intended to set free a Asst Surgeon for one of the more responsible and heavy charges where men are badly required. It is not understood how this could be effected. If a retired man is to be re-entertained into service for a remunerative charge, then the cadre of that class of officers will have to be reduced by one, temporarily so long as the retired man continues in service. Otherwise there would be an addition to the strength of officers.

3) In the reorganisation order dated the 13th July 1918 two places of Asst Surgeons are reserved for ~~men~~ being filled by promotion from officers

of the grade of Sub Asst Surgeons. The officials that are thus specified to the gazetted rank will generally be persons of advanced age & service and in case the Station Hospital cannot be continued there for a reasonable length of time the Medical officers in charge, such as Assistant Surgeons Cavelchara, Dr. S. Narayanaiah, S. Narayana Rao, Dharmavaram & Uttan, the may perhaps be given a change to another station or other station in charge and an additional Asst Surgeon, II Grade, [illegible] & Dowlaiswaram, may perhaps be posted for the Superintendent's Hospital & Out Patients.

Recd 4-2-25

Sir,

I have the honour to state that there is hardly any scope for professional work in the Mysore Lancers' Hospital, for an Assistant Surgeon in the active list, in as much as all cases of a serious or complicated nature are taken for treatment to the Victoria Hospital which is easily available. Consequently a young officer of the Assistant Surgeon's Cadre posted to the institution soon gets out of touch with professional work of a higher order and if he happens to be enthusiastic, gets tired of the practically inactive life he will be compelled to live. I herein enclose for perusal and kind return two applications received from Assistant Surgeon Mr.P.Shama Rao, though he was recently transferred to this place.

On my consulting the Chief Commandant, Mysore State Troops, that officer has agreed to my suggestion to the posting of a retired medical officer of the grade of a surgeon or Assistant Surgeon, who may still have some energy in him for a few years of light work of the kind expected in the Lancers' Hospital.

I request that the proposal, which is intended to set free an Assistant Surgeon for one of the more responsible and heavy charges, where hands are badly required, may kindly be sanctioned. On receipt of orders, I shall submit a suitable name for the orders of Government,

I have the honour to be,
Sir,
Your most obedient servant,
B Usmon
SENIOR SURGEON.
